

Let's color the world!

We are GNT, an ambitious and innovative family-run business with a colorful character! With our EXBERRY® brand, we are the market leader in the field of Coloring Foods. Our colorings are 100% natural and are made from fruits, vegetables and plants.

We are world champions when it comes to utilizing the bounty of nature and strive to continuously innovate and improve natural color ingredients for the consumer. By carefully preserving all of nature's beauty and goodness, we are able to offer our clients the highest quality and most reliable products. This is what continues to motivate us every day!

The most important ingredients for GNT's success are our employees and the cooperation that exists between them. We believe in teamwork, and we are there for one another, our clients, our suppliers and our partners. That is what makes us GNT.

Due to the growth of GNT we are seeking a

Senior Accountant

The Senior Accountant plays a key role in managing and supporting core accounting functions with an emphasis on manufacturing cost analysis. This position is responsible for accurate financial reporting, maintaining inventory valuation, analyzing production costs, and collaborating with cross-functional teams to support decision-making, budgeting, and operational efficiency.

The role:

- Work closely with the Controller and Director of Finance to handle core accounting processes and support strategic financial planning.
- Monitor and record manufacturing-related costs, including labor, materials, and overhead.
- Maintain accurate inventory valuation and perform periodic reconciliations to ensure inventory integrity.
- Prepare profitability analyses by product, customer, or business unit to support business strategy and pricing decisions.
- Support general ledger accounting functions, including accounts payable and receivable, and maintain proper coding and documentation in the ERP system.
- Prepare and post journal entries, including one-time and recurring entries related to inventory, standard costs and adjustments to other accounts.
- Participate in monthly, quarterly and year-end closings, including the preparation of required schedules and reconciliations.

- Support internal and external audits by providing timely and accurate cost and financial documentation.
- Assist in developing and maintaining internal controls related to inventory, costing, and financial accuracy.
- Work within the ERP system (e.g., Microsoft Dynamics BC 14) to manage accounting data, perform reconciliations, and generate reports.
- Participate in cross-functional projects focused on financial planning, continuous improvement, and operational efficiency.
- Perform other accounting duties and assignments as needed to support overall business objectives.

Additional responsibilities:

- Comply with federal, state, and company policies, procedures and regulations.
- Complete all assigned safety training in a timely manner.
- Stay current with all required training and ensure timely completion.
- Follow the Company's established processes, procedures, and policies, ensuring compliance with Good Manufacturing Practices (GMPs), Personal Protective Equipment (PPE) requirements, Safe Quality Food (SQF) standards, and product quality guidelines.
- Maintain a collaborative team mindset while actively supporting GNT's Food Safety culture.
- Maintain a clean and organized work environment, ensure your clothing is neat at all times, and support colleagues in adhering to hygiene standards.

About you, as our ideal candidate:

- Bachelor's degree in Accounting, Finance, or a related field
- CPA or CMA certification is a plus, but not required
- 5-8 years of progressive general accounting experience in a manufacturing environment
- Good understanding of cost and inventory accounting principles
- Advanced analytical and problem-solving skills with a focus on financial accuracy
- High Proficiency in Microsoft Excel and ERP systems (e.g., Microsoft Dynamics BC, SAP, Oracle)
- Strong organizational skills with the ability to manage multiple priorities and meet deadlines
- Excellent communication skills, both written and verbal, with the ability to present complex data clearly
- Self-motivated and collaborative, able to work independently and across departments
