

Let's color the world!

We are GNT, an ambitious and innovative family-run business with a colorful character! With our EXBERRY® brand, we are the market leader in the field of Coloring Foods. Our colorings are 100% natural and are made from fruits, vegetables and plants.

We are world champions when it comes to utilizing the bounty of nature and strive to continuously innovate and improve natural color ingredients for the consumer. By carefully preserving all of nature's beauty and goodness, we are able to offer our clients the highest quality and most reliable products. This is what continues to motivate us every day!

The most important ingredients for GNT's success are our employees and the cooperation that exists between them. We believe in teamwork, and we are there for one another, our clients, our suppliers and our partners. That is what makes us GNT.

Due to the growth of GNT we are seeking a

Regulatory Affairs Specialist

The Regulatory Affairs Specialist supports the Quality Assurance & Regulatory Affairs Director in ensuring compliance with all regulatory requirements in the USA, Canada, and Mexico. This includes regulations related to colors and plant-based ingredients used in food & beverages and pet food. The position reports to the Quality Assurance & Regulatory Affairs Director and is based in Dallas, NC.

The role:

- Tracks, monitors, and communicates all current, proposed, and new regulations that may impact the company to appropriate internal stakeholders.
- Independently researches regulatory information in accordance with US FDA, USDA, and Canadian and Mexican regulations.
- Researches and prepares timely, accurate responses to customer inquiries regarding the regulatory status of products, including specifications, allergens, labeling, nutrition, claims, GMO, Organic, and other certifications.
- Creates and maintains up-to-date regulatory statements.
- Reviews and approves finished product specifications, Safety Data Sheets (SDS), and labels to ensure regulatory compliance.
- Conducts regulatory assessments for new ingredients and new product launches.
- Supports the Quality team in new supplier approvals.
- Supports various departments (R&D, QA, Production, Sales & Marketing, Agriculture) regarding regulatory topics.
- Trains internal teams on regulatory topics and updates.

- Handles tasks and assignments as needed to meet the needs of the business.

Additional responsibilities:

- Keep up to date with changes in regulatory legislation and guidelines.
- Complete all assigned safety training in a timely manner.
- Stay current with all required training and ensure timely completion.
- Follow the Company's established processes, procedures, and policies, ensuring compliance with Good Manufacturing Practices (GMPs), Personal Protective Equipment (PPE) requirements, Safe Quality Food (SQF) standards, and product quality guidelines.
- Maintain a collaborative team mindset while actively supporting GNT's Food Safety culture.
- Maintain a clean and organized work environment, ensure your clothing is neat at all times, and support colleagues in adhering to hygiene standards.

About you, as our ideal candidate:

- Bachelor's degree in Food Science, Nutrition, or a related field.
- 2–3 years of experience in regulatory compliance within the food industry.
- Experience with ingredient compliance, product compliance, claims, and labeling.
- Strong knowledge of FDA food regulations.
- Excellent organizational, analytical, and problem-solving skills.
- Strong written and verbal communication skills.
- Ability to work independently and collaboratively within a team.
- High attention to detail and accuracy.
- Knowledge of Canadian and Mexican regulations is a plus, but not required.
- Fluency in Spanish is a plus, but not required.
